

What is Confirmation?

Confirmation is a public response to our Baptism. Meaning it's about commitment - not just during confirmation but as we walk with Christ within our church community. Confirmation is an experience about commitment while making a commitment.

Fall Expectations

- I will participate in at least 10 youth ministry opportunities by Dec.15. These include at least 5 EYC's (Episcopal Youth Community) and 5 Sunday morning formation or EYC's.
- I will sign up and participate in one of the clergy lunches on Oct. 20, Oct. 27, or Nov. 3
- I will turn in my Confirmation form by Advent I (Dec. 1). I will need a mentor that is a St. Paul's church member. If I do not, I understand that the church will help me find one before Advent I.

Spring Expectations

- I will plan on being at all 10 Confirmation classes AND the Annual meeting.
- I understand that all the dates for the classes have been given to me in September of 2019
- I understand that I can miss up to 3 classes but will need to email Nick to let him know (not my parents) and will then listen to the online lecture and turn in a one page reflection paper before the next class.
- I understand that if I miss more than 3 classes, I will have to meet with the Rector to discuss how and when I will be able to be confirmed.

Spaghetti dinner

- I understand that I will be participating in the Spaghetti dinner with my mentor on March 15
- I will sign up for at least one Sunday to help sell tickets to the Spaghetti dinner

Confirmation Sunday

- I will be present on Confirmation Sunday for the rehearsal and the 10am service.

Please know that communication is key. We are always willing to help under certain circumstances and we are rooting for you!

We enter into this covenant and will support each other in this mentoring process through participation and prayer.
