

Youth Mentor Reflection The Bible

How would you describe what the Bible is to your friends?

About Your Mentor:

Have you attended a Bible study?

What is the Bible to you?

Have your mentor share a story about them and the Bible (if they have one).

As Episcopalians, we read the Bible in two ways - we read together and we interpret responsibly. Explain these two facets to your mentor.

Share with your mentor what you remembered from this class? (Example - what is the official translation of the Episcopal church.)

We believe the Bible to be "inspired by God." What does this mean?
